CONDENSED VIEW OF NEWPORT.

NEWPORT is a pretty little town, lying on the South bank of the Ohio and the East of Licking River, it has 1000 inhabitants and is the county-seat of Campbell county. The United States' Arsenal is located here, at the junction of the two rivers, and was established about the year 1803 or 4. Its public buildings are a Court House, one Methodist and one Presbyterian Church, a Cotton Factory, a Bale-rope and Bagging Factory, and one Woollen Factory, which, when in operation, employ from 3 to 400 hands.
