

MORLEY BROS.

Druggists, 206 East Sixth Street.

An enterprise of this city of large utility, transacting an important business, comprising both wholesale and retail operations, is the old established house of Morley Bros., which was founded in 1874. The firm occupy a three story brick building at the above address, which is of the dimensions of 50x120 feet. The whole of this is utilized in the wholesale and retail operations. The house also has a place of business at St. Louis, where they carry on the bulk of their manufacturing. Messrs. Morley Bros. deal in drugs, medicines, chemicals, wines, liquors, painters' supplies, etc., and they supply both the public and dealers upon the most favorable terms, the goods being warranted of the best quality, sold at the lowest prices. Allied to their retail business here is the prescription department, and of this they make a specialty, the greatest care and attention being devoted to its details. The proprietary medicines manufactured and sold by this firm have earned for them an established reputation throughout a wide range of territory. They are known to the trade and public by their names of Liver and Kidney Cordial, Barbers Hair Dye, Lemon Chill Cure, T. and S. Hair Tonic, 2-Bit Cough Syrup, T. and S. Liver Pills, Kay's Kentucky Lintment, Kay's Kentucky Condition Powders, Blackberry Balsam, Wonderful Eight, Aromatic Elixir of Ginger, Oridonto for Teeth, German Sarsaparilla, Dr. Baker's Tip Top, Marvellous Mexican Medicine, etc. The above may be said to represent the very *acme* of excellence and efficiency for the purposes for which they are designed, and they are made from formulas which are the results of long experience and patient research. Of the members of the firm Mr. S. K. Morley resides at Austin, taking charge of the business here; Mr. W. J. Morley lives at St. Louis, the management of the house and laboratory in that city being in his hands. Both gentlemen are thoroughly practical and experienced chemists, giving their closest energies to the duties and details of their enterprise.

MORLEY BROS.; Manufacturers of Proprietary Medicines; Nos. 214 and 216 South Main Street.—Messrs. S. K. and W. J. Morley commenced the manufacture of their proprietary medicines fifteen years ago at Austin, Texas, where they still have an establishment. In 1885 they opened their St. Louis house, and the trade, which is strictly proprietary, extends throughout Iowa, Missouri, Illinois, Arkansas, Texas, Indian Territory, Louisiana, and part of Kansas. The premises in St. Louis comprise a spacious four-story and basement building, which has an area of 17,500 square feet, fitted up with every convenience, the laboratory being equipped with the latest improved apparatus. Messrs. Morley Bros. are the proprietors of the following preparations and medicines:—L. & K. cordial, Barbers hair dye, tasteless chill syrup, T-X-S hair tonic, Two-Bit cough syrup, little liver pills, K. K. Cure or Lintment, K. K. Condition powders, blackberry balsam, wonderful eight, elixir of ginger, oridonto for the teeth, sarsaparilla, etc. Mr. S. K. Morley manages the business at Austin, the St. Louis house being controlled by Mr. W. J. Morley, who employs sixteen clerks, assistants, etc., and seven traveling salesmen here. They are natives of Carrollton, Ky., and are highly esteemed in trade circles, for their enterprise, chemical skill and strict probity.
