

Post Office Department,
APPOINTMENT OFFICE.

WASHINGTON CITY, _____, 18

SIR:

Before the Postmaster General decides upon the application for a new Post Office at Gypsum Mills, County of Campbell, State of Kentucky, at which you are recommended for Postmaster, he requires that the blanks in the following statement be filled, and the questions carefully and correctly answered, verified by your signature, certified by a neighboring postmaster, and returned to this Department, addressed to me. The contractor should be informed of this application; and if the site of the proposed office be off the mail route, you will forward his certificate as to the practicability of supplying it, and also as to the increase of distance. If the proposed office is not on any route now under contract, it can only be established as a "Special Office," to be supplied without expense to Department other than net proceeds.

Be careful to designate the post offices by their true official names; and answer the enjoined queries fully and accurately, or the case will not be acted upon.

Respectfully, your obedient servant,

J. W. Marshall
~~Special Office~~

First Assistant Postmaster General.

To Mr. _____, who will please forward to him
Care of the Postmaster of _____

STATEMENT.

The proposed office will be called Gypsum Mills

[The name of the candidate for postmaster should not be applied as the name of a post office. It is preferable to have some LOCAL or PERMANENT name, which must not be the name of any other office in the State; and you should aim to select a name not appropriated to any office in the United States.]

It will be situated in the _____, Township

Range _____, in the County of Campbell, State of Kentucky

It will be on or near route No. 9614, being the route from Paris and Cal
to California, on which the mail is now carried three times per week.

The contractor's name is Samuel J. Miles

Will it be directly on this route?—Ans. it will

If not, how far from and on which side of it?—Ans.

How much will it INCREASE the travel of the mail on way each trip?—Ans. None

Where will the mail leave the present route to supply the proposed office?—Ans. it will not leave

Where intersect the route again?—Ans.

What post office will be left out by this change?—Ans. None

The name of the nearest office to the proposed one, on the same route, is California
its distance is three miles, in a South East direction from the proposed office.

The name of the nearest office on the same route, on the other side, is Chase
its distance is three miles, in a West direction from the proposed office.

The name of the nearest office to the proposed one, is California
distance by the most direct road is three miles, in a South East direction from the proposed office.

The name of the most prominent river near it is Ohio

The name of the nearest creek is 13 mile Creek

The proposed office will be three miles from said river, on the South
side of it, and will be in miles from said nearest creek, on the South side of it.

If it be a village, state the number of inhabitants no village

If not, state the number of families within two miles.—Ans. at least three hundred

Also, the number of families within one-half the distance to the next office.—Ans. about two hundred

A diagram, or sketch from a map, showing the position of the proposed new office, with neighboring river or creek, roads, and other post offices, towns, or villages near it, will be useful, and is therefore desired.

A correct map of the locality might be furnished by the county surveyor, but this must be without expense to the Post Office Department.

ALL WHICH I CERTIFY to be correct and true, according to the best of my knowledge and belief,
this 21st day of February, 18 70.

P. S. Chalk

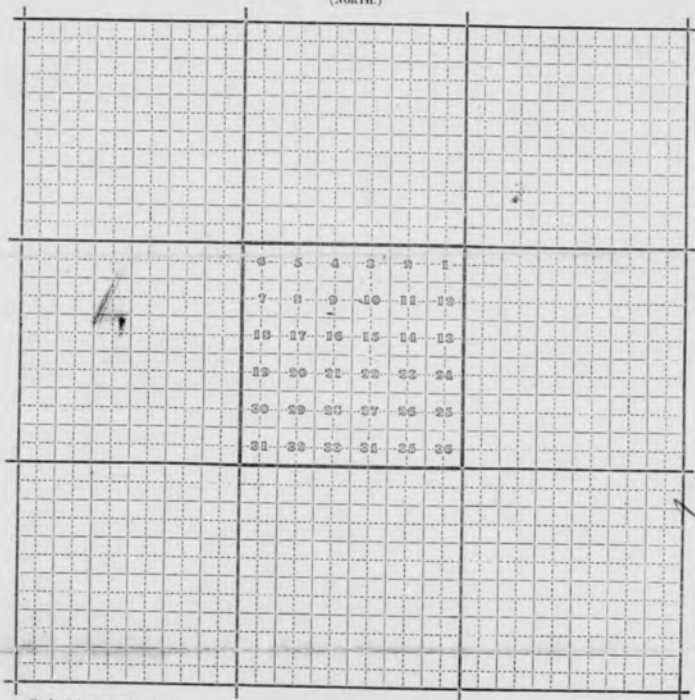

I CERTIFY, That I have examined the foregoing statement, and that it is correct and true, to the best of my knowledge and belief.

Post Office Department,

OFFICE OF THE FIRST ASSISTANT P. M. GENERAL.

WASHINGTON, D. C., 26 Feb, 1881.

SIR: Before the Postmaster General decides upon the application for a new post office at Juniataville, County of Campbell, State of Kentucky, at which you are recommended for postmaster, he requires that the blanks in the following statement be filled, and the questions carefully and correctly answered, verified by your signature, certified by a neighboring postmaster, and returned to this Department, addressed to me. The contractor should be informed of this application; and if the site of the proposed office be off the mail route, you will forward his certificate as to the practicability of supplying it, and also as to the increase of distance. If the proposed office is not on any route now under contract, it can only be established as a "Special Office," to be supplied without expense to the Department other than net proceeds.

Be careful to designate the post offices by their true official names; and answer the subjoined queries fully and accurately, or the case will not be acted upon.

Very respectfully,

JAMES N. TYNER,
First Assistant Postmaster General.

To Mr. John Steppelt
care of the Postmaster of Frankfort, who will please forward to him.

STATEMENT.

The proposed office to be called Carlsberg

Select a short name for the proposed office, which, when written, will not resemble the name of any other post office in the United States.

It will be situated on the _____ quarter of Section _____, Township _____

Range _____, in the County of Campbell, State of Kentucky

It will be on or near route No. _____, being the route from Alexandria

to Frank, on which the mail is now carried 3 times per week.

The contractor's name is White

Will it be directly on this route?—Ans. _____

If not, how far from, and on which side of it?—Ans. _____

How much will it INCREASE the travel of the mail one way each trip?—Ans. 5 1/2 miles

Where will the mail leave the present route to supply the proposed office?—Ans. Frank

Where intersect the route again?—Ans. Frank

What post office will be left out by this change?—Ans. None

If not on any route, is a "Special Office" wanted?—Ans. Yes. To be supplied from Frank or Alexandria

The name of the nearest office to the proposed one, on the same route, is Frank

as distance is 5 1/2 miles, in a West direction from the proposed office.

The name of the nearest office on the same route, on the other side, is Blount Springs

its distance is 3 miles, in a East direction from the proposed office.

The name of the nearest office to the proposed one, not on this route, is Blount Springs

distance by the most direct road 3 miles, in a East direction from the proposed office.

The name of the most prominent river near it is Ohio

The name of the nearest creek is 12 miles

The proposed office will be 3 1/2 miles from said river, on the West

side of it, and will be on miles from said nearest creek, on the North side of it.

If near a railroad, state on which side the office will be located, how far from, and the name of the station or depot.—Ans. No

If it be a village, state the number of inhabitants.—Ans. No

Also, the population to be supplied by proposed office.—Ans. About 300

A diagram, or sketch from a map, showing the position of the proposed new office, with neighboring river or creek, roads, and other post offices, towns, or villages near it, will be useful, and is therefore desired.

A correct map of the locality might be furnished by the county surveyor, but this must be without expense to the Post Office Department.

ALL WHICH I CERTIFY to be correct and true, according to the best of my knowledge and belief, this 1st

day of April, 1881.

(To Sign full name.) John Nicholas Chalk, Proposed P. M.

I CERTIFY that I have examined the foregoing statement, and that it is correct and true, to the best of my knowledge and belief.

W. L. Young

Postmaster at Coltonville Ky
