

B  
Case Dec 12-93

No. 1011.

(LOCATION PAPER.)

# Post Office Department,

OFFICE OF THE FOURTH ASSISTANT POSTMASTER GENERAL,  
APPOINTMENT DIVISION,

WASHINGTON, D. C. March 10, 1894

Sir: Before the Postmaster General decides upon the application for the establishment of a post office at Jacksons Spring, County of Carroll, State of W. Va., it will be necessary for you to carefully answer the subjoined questions, get a neighboring postmaster to certify to the correctness of the answers, and return the location paper to the Department, addressed to me. If the site selected for the proposed office should not be on any mail route now under contract, only a "Special Office" can be established there, to be supplied with mail from some convenient point on the nearest mail route by a special carrier (see section 733, Postal Laws and Regulations of 1887), for which service a sum equal to two-thirds of the amount of the salary of the postmaster at such office will be paid by the Department.

You should inform the contractor, or person performing service for him, of this application, and require him to execute the inclosed certificate as to the practicability of supplying the proposed office with mail, and return the same to the Department.

Very respectfully,

*N. C. Medford*  
Fourth Assistant Postmaster General.

Be careful to answer the inquiries fully and accurately, or the case will not be acted upon.

To Mr. G. W. Adcock  
care of the Postmaster of Castleton, who will please forward to him.
