

POST OFFICE DEPARTMENT

TOPOGRAPHER'S OFFICE,

Washington, August 24, 1885.

Sir:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

M. S. Nicholson
Topographer P. O. Dept. &c.

To POSTMASTER AT *Napoleon*
Gallatin Co.

The (P. O. Dept.) name of my Office is *Napoleon*

* Its local name is _____

It is situated in *center* part of *this* Township, or in _____ quarter of Twp. No. _____ Township, County of *Gallatin*, State of *Kentucky*

The name of the most prominent river near it is *Ohio*

The name of the nearest creek is *Sugar Creek*

This Office is *3* miles from said river, on the *South* side of it, and is *1 1/2* miles from said nearest creek, on the *East* side of it.

The name of the nearest Office on route No. _____ is *Sugar Creek*, and its distance is *3* miles, by the travel road, in a *North West* direction from this my Office.

The name of the nearest Office, on the *across* route, on the other side, is *Colliston* and its distance is *4* miles in a *South East* direction from this my Office.

The name of the nearest Office of the route is *Lincoln*, and its distance by the most direct road is *5 1/2* miles in a *South* direction from this my Office.

This Office is at a distance of *3* miles from the *P. & C. Colliston* Station of the *Shot Line* Railroad, on the *North* side of the railroad.

State, under this, the names of all other Offices near your Office, in different directions from it, and their distances from it by the usual direct roads. *Walnut Lick north of my office 5 miles direct road*

DP A diagram of the township (on, where the land is not so divided, a sketch map,) showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above verbal descriptions, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this must be without expense to the Post Office Department; it being, however, for the general interest and advantage of the community to have the Post Offices correctly located on the maps, if any be expected that this will be cheerfully furnished on proper application.

State (on margin of this sheet) whether there is or is not an office in your county seat (court house), or in the hands of your County Surveyor, a Map of this county.

State also the present Surveyor's name and Post Office address.

(Signature of Postmaster.) *Mirix J. Jones*

(Date.) *Sept 2nd 1885*

The Surveyor of this County is Samuel Grubb,
P. O. at Sugar Creek, I do not know whether
he has a map of this County or not.
