

POST OFFICE DEPARTMENT,
TOPOGRAPHER'S OFFICE,

Washington, August 24th

NO. 1

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative position of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

W. L. Nicholson,
Topographer U. S. Dept. of A.

To POSTMASTER AT Sugar Creek
Gallatin Co.
Kentucky

The (P. O. Dept.) name of my Office is Sugar Creek

* Its local name is Sugar Creek

It is situated in part of Township, or in quarter of Tract No. _____
County of Gallatin State of Kentucky

The name of the most prominent river near it is the Ohio.

The name of the nearest creek is Sugar Creek
This Office is on the Bank of said river, on the South side of it, and is
25 yds from said nearest creek, on the north side of it.

The name of the nearest Office on route No. 20197 is Napoleon, and its
distance is Three miles, by the traveled road, in a South W. direction from this my Office.

The name of the nearest Office, on the same route, on the other side, is Tallinton,
and its distance is 6 1/2 miles in a South W. direction from this my Office.

The name of the nearest Office off the route is Warsaw, Ky., and its
distance by the most direct road is 5 miles in a South W. direction from this my Office.

This Office is at a distance of 5 miles from the nearest Station of
the S. & C. Short line Railroad, on the north side of the railroad.

State, under this, the names of all other Offices near your Office, in different directions from it, and their
distances from it by the most direct roads.

* If the town, village, or site of the Post Office be known locally by another name than that of the Post Office, state that other
name here, that it may be identified on any published map of the State (or Territory) if appearing thereon.

† A diagram of the township (or, where the land is not so divided, a sketch map) showing the precise
location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks.

In addition to the above verbal description, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this need be without
expense to the Post Office Department; it being, however, for the general interest and advantage of the community to have the Post
Offices correctly located on the maps, it may be expected that this will be cheerfully furnished on proper application.

State (on separate sheet) whether there is or is not at your county seat (court-house), or in the hands of your County
Surveyor, a Map of the county.

State also the present Surveyor's name and Post Office address.

(Signature of Postmaster.)

D. M. Howe
(Date.) Sept. 1st 1885.
