# Post Office Department,

OFFICE OF THE FOURTH ASSISTANT POSTMASTER GENERAL,  
APPOINTMENT DIVISION,

WASHINGTON, D. C., January 9, 1895

Sir: Before the Postmaster General decides upon the application for the establishment of a post office at Haydens, County of Newton, State of N.Y., it will be necessary for you to carefully answer the subjoined questions get a neighboring postmaster to certify to the correctness of the answers, and return the location paper to the Department, addressed to me. If the site selected for the proposed office should not be on any mail route now under contract, only a "Special Office" can be established there, to be supplied with mail from some convenient point on the nearest mail route by a special carrier (see section 733, Postal Laws and Regulations of 1887), for which service a sum equal to two-thirds of the amount of the salary of the postmaster at such office will be paid by the Department.

You should inform the contractor, or person performing service for him, of this application, and require him to execute the inclosed certificate as to the practicability of supplying the proposed office with mail, and return the same to the Department.

Very respectfully,

E. G. Rathbun  
Fourth Asst Postmaster General

To Mr. Milton McGill

care of the Postmaster of Milldale, who will please forward to him.

## STATEMENT.

The proposed office to be called

Haydens

M. McGill

Select a short name for the proposed office, which, when written, will not resemble the name of any other post office in the State.

It will be situated in the second quarter of Section 10 Township North (North or South), Range 1 (East or West), in the County of Newton, State of New York.

It will be on no route No. 1290-2 being the route from Milldale to Haydens, on which the mail is now carried once times per week.

Will it be directly on this route? Yes.

If not, how far from it? 1/2 m.

If not on any route, is a "Special Office" wanted? Yes. To be supplied from Milldale.

The name of the nearest office to the proposed one, on one side, is North miles in a North direction from the proposed office.

The name of the nearest office, on the other side, is South miles in a South direction from the proposed office.

The name of the other nearest office to the proposed one is West miles in a West direction from the proposed office.

The name of the most direct road is Haydens miles in a West direction from the proposed office.

The name of the nearest river near it is Haydens.

The proposed office will be 1/2 m. miles from said river, on the South side of it, and will be 1/2 m. miles from said nearest creek, on the West side of it.

The name of the nearest railroad is Central.

If on the line of or near a railroad, on which side will the office be located: how far from the track; and what is, or will be, the name of the station? Not a village, but Haydens.

If it be a village, state the number of inhabitants. Two (2) houses.

Also, the population to be supplied by the proposed office. Two (2) houses.

A diagram, or sketch from a map, showing the position of the proposed new office, with neighboring river or creek, roads, and other post offices, towns, or villages near it, will be useful, and is therefore desired.

A correct map of the locality must be furnished by the county surveyor, but this must be without expense to the Post Office Department.

ALL WHICH I CERTIFY to be correct and true, according to the best of my knowledge and belief, this January 7, 1895 day of January, 1895

I CERTIFY that I have examined the foregoing statement, and that it is correct and true, to the best of my knowledge and belief

Ransom Barrett  
Postmaster of Newton

Be careful to answer the inquiries fully and accurately, or the case will not be acted upon.
